## Annual gender sensitization action plan

In the institution regular activities are organized for the awareness of the students and the faculty about various issues. To integrate gender issues with curriculum Women Grievance Cell and Anti Ragging Committee is constituted. CCTV's are installed in the campus which tracks and monitors the activities in the campus. As our institution is co-ed it is unbiased on gender issue. Women cell organises special training of Martial Arts of girls and health hygiene awareness programme for girls. Programmes on gender issues are organized to know the legal aspects of women rights. Various government departments such as Women Welfare, Police Dept., Health, NGOs and other social organizations also interact with staff and students on various issues in the form of workshops and seminars.
