

Seva Sadan Mahavidyalaya, Burhanpur

Student Satisfaction Survey (SSS) 2023-24

For the growth of an institution it is necessary to implement new ideas and regular developments in all parts. Seva Sadan Mahavidyalaya, being the oldest and premier institutions of the city is always the first choice of the citizens from three generations. Centrally located it is easily approachable from all the areas of the town and nearby villages. The admission status of each year in the college is due to the faith of the parents and students. The institution is also committed to serve the best education for the student community. Though it is the first choice of the students for higher education the college management is always ready to update the overall system for the betterment of the students. It regularly collects oral and formal opinions and views from its stakeholders. The formal survey conducted during the academic year 2023-24 has been analysed and reveals certain facts on the following points:
